

# ICWIP

Networking across the disciplines

# Recommendation to International Working Group: to support the establishment of regional networks -

## 1. Regions

Africa (I umbrella => 5?), Asia Pacific, Americas, Europe

## 2. Action Igle Gledhill to provide contacts

## 3. Lead persons for each area have been identified to act as a hub and start up

- actioned to report on progress to International working Group by 1<sup>st</sup> Sept

- choose means of communication for each region
  - wiki, facebook, extend existing network or ?

# Summary of all recommendations to IUPAP

- To be sent to all planning committees of IUPAP sponsored conferences

# Share best Practice

- Recommendation to the International working Group to put links to best practice examples on their website with a link from the IUPAP website:
- Outreach
- Teacher training to be girl friendly
- Mentoring systems
- Should be in different languages – Eng, French German, Spanish etc

# Recommendation to Physical Societies:

- to encourage mentoring at all levels both formal and informal to help women to establish support networks.
- to emphasise that women's networking lunches are beneficial and should be held during conferences – open to both women and men.
